

JOIN US IN CELEBRATING
BUDDHA DAY (VESĀKHA)

VESĀKHA PUJA DAY (or Buddha Day) is celebrated in all Buddhist communities. The traditional date is the first full moon day and evening in May. A combination of celebration, reflection, and generosity, the day honors three important events in the Buddha's life—his birth, enlightenment, and attainment of Nirvana (at his death). This is a joyful holiday for Buddhists and their friends.
